

APPENDIX 1A

## **Legal Description of CVEC Site Under Purchase Option**

---

## **EXHIBIT "A"**

### **TOWNSHIP 15 SOUTH, RANGE 16 EAST, MOUNT DIABLO BASE AND MERIDIAN**

Section 25: Portion of the North One Half, that portion of the above described land being more particularly described as follows:

LOTS 295, 298, 302 AND 303 of Subdivision A of Valley Garden Farms, according to the map thereof recorded June 12, 1915, in Book 7, Page 79 of Plats, in the office of the County Recorder of said County; EXCEPT all that portion of Lot 295 lying within the following described property:

BEGINNING AT A point on the South line of Manning Avenue, formerly Oak Avenue, which point is the intersection of said South line with a line parallel to and 130 feet Southwest of the Southwest line of Lot 175 of said Valley Garden Farms Subdivision A; thence Southeasterly parallel with and 130 feet Southwesterly from the Southwesterly line of said 175 a distance of 520 feet; thence at a right angle Northeasterly 130 feet to a point on the Southeasterly prolongation of the Southwesterly line of said Lot 175; thence Northwesterly along the Southeasterly line of said Lot 175 to a point on the South line of Manning Avenue, formerly Oak Avenue; thence West along the South line of Manning Avenue, formerly Oak Avenue, to the point of beginning. ALSO EXCEPT from Lot 302 that certain Well Site No. 18b granted to Omega Mutual Water Company by deed recorded in Book 617 Page 30 of Deeds and described as follows: BEGINNING AT A point 35 feet Northerly from and 30 feet Easterly from the Southwest corner of line said Lot 302; thence Northerly and parallel to the South line said lot 300 feet; thence Southerly and parallel to the West line of said lot 100 feet; thence Westerly and parallel to the South line of said lot 300 feet to the point of beginning.

APPENDIX 1B

## **Owners Adjacent to the Project Site and Linear Corridors**

APPENDIX 1D

# **Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information**

---

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
<b>Federal</b>					
8.1 – Air Quality (8.6)	Clean Air Act (as amended)	Provides USEPA with the legal authority to regulate air pollution from stationary sources.	USEPA	Title V - Operating Permit	<p>Applicant will be subject to following Clean Air Act Programs and Requirements:</p> <ul style="list-style-type: none"> <li>• New Source Performance Stationary Sources (NSPS)</li> <li>• National Emission Standards for Hazardous Air Pollutants (NESHAPS)</li> <li>• Prevention of Significant Deterioration (PSD)</li> <li>• New Source Review (NSR)</li> <li>• Title IV: Acid Deposition Control</li> </ul> <p>Based on results of risk assessment as per California Air Pollution Control Officers Association guidelines, toxic contaminants do not exceed acceptable levels (see Section 8.6.3.2).</p> <p>Emissions of criteria pollutants will be minimized by applying BACT to the facility. Increases in emissions of criteria pollutants will be fully offset (Sections 8.1.4, 8.1.2.4, and 8.6.4.1).</p>
8.1 – Air Quality	CAA §171-193, 42 USC §7501 et seq. (New Source Review)	Requires new source review (NSR) facility permitting for construction or modification of specified stationary sources. NSR applies to pollutants for which ambient concentration levels are higher than NAAQS.	SJVUAPCD with USEPA oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	CAA §401 (Title IV), 42 USC §7651 (Acid Rain Program)	Requires reductions in NO <sub>x</sub> and SO <sub>2</sub> emissions.	SJVUAPCD with USEPA oversight	Issues Acid Rain monitoring plan error report after review of application.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	CAA §501 (Title V), 42 USC §7661 (Federal Operating Permits Program)	Establishes comprehensive permit program for major stationary sources.	SJVUAPCD with USEPA oversight	Issues Title V permit after review of application.	8.1.2.4, 8.1.4.3

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.1 – Air Quality	CAA §111, 42 USC §7411, 40 CFR Part 60 (New Source Performance Standards – NSPS)	Establishes national standards of performance for new stationary sources.	SJVUAPCD with USEPA oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.2 – Biology	Endangered Species Act of 1973 and implementing regulations, Title 16 United States Code (USC) §1531 et seq. (16 USC 1531 et seq.), Title 50 Code of Federal Regulations (CFR) §17.1 et seq. (50 CFR 17.1 et seq.).	Designates and protects federally threatened and endangered plants and animals and their critical habitat.	USFWS and NMFS	Issues Biological Opinion, or Authorization with Conditions after review of project impacts.	Applicant has sited facility to avoid habitat for endangered species (Section 8.2.4.2).
8.2 – Biology	Section 404 of Clean Water Act of 1977	Requires permit to fill jurisdictional wetlands.	USACE	Section 404 Permit	Applicant will avoid wetland fills by using HDD, or will open trench in compliance with NWP 12 (Section 8.2.4.2).
8.2 – Biology	Section 401 of Clean Water Act of 1977	Requires the applicant to conduct water quality impact analysis for the project when using 404 permits and for discharges to waterways.	RWQCB	Water Quality Certification	Applicant will obtain 401 Certification if required (Section 8.2.4.2).
8.2 – Biology	Suggested Guidelines for Raptor Protection (APLIC, 1996)	Describes design measures to avoid and reduce impacts to raptors from electrical transmission and other facilities.	CEC	CEC Conditions of Approval	Applicant will implement design measures to protect raptors from collision and electrocution (Section 8.2.4.2).
8.2 – Biology	Migratory Bird Treaty Act 16 USC §§703-711	Prohibits the non-permitted take of migratory birds.	USFWS and CDFG	CEC Conditions	Applicant will avoid take (Section 8.2.4.2).
8.3 – Cultural Resources	National Historic Preservation Act	Established the federal government's policy on historic preservation.	Advisory Council on Historic Preservation and the State Historic Preservation Officer (SHPO).	Clean Water Act permit, if applicable.	Section 8.3.7
8.3 – Cultural Resources	Archaeological Resources Protection Act	Protects archaeological resources from vandalism and unauthorized collecting on federal land.	California SHPO	No permit required.	The project will comply with these requirements, as necessary (Section 8.3.1).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.3 – Cultural Resources	Native American Graves Protection and Repatriation Act	Assigns ownership of Native American graves on federal land to Native American descendants or culturally affiliated organizations.	California SHPO	No permit required.	The project will comply with these requirements, as necessary (Appendix 8.3B).
8.4 – Land Use	No Federal LORS related to Land Use apply	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8.5 – Noise	Offsite: USEPA	Guidelines for state and local governments.	Not Applicable	No permit required.	The project will comply with these requirements, as necessary.
8.5 – Noise	Onsite: OSHA	Exposure of workers over 8-hour shift limited to 90 dBA.	Occupational Safety and Health Administration (OSHA)	No permit required.	Sections 8.5.2.1.2, 8.5.4.2.1 and 8.5.4.3.1 Also see Worker Safety section of AFC.
8.6 – Public Health	Health and Safety Code §§25249.5 <i>et seq.</i> (Safe Drinking Water and Toxic Enforcement Act of 1986— Proposition 65)	Public exposure to chemicals known to cause cancer or reproductive toxicity.	Office of Environmental Health and Hazard Assessment (OEHHa)	No permit required.	Based on results of risk assessment as per CAPCOA guidelines, toxic contaminants do not exceed thresholds that require exposure warnings (see Section 8.6.3.2).
8.6 – Public Health (8.1)	40 CFR Part 68 (Risk Management Plan [RMP])	Public exposure to acutely hazardous materials.	USEPA Region IX  Fresno County Office of Emergency Services (OES)	Approval of RMP.	A vulnerability analysis has been performed to assess potential risks from a spill or rupture of the aqueous ammonia storage tank (See Section 8.6.3.3).  An RMP will be prepared prior to commencement of facility operations (See Section 8.6.4.3 and Appendix 8.12A).
8.7 – Worker Health and Safety	Title 29 Code of Federal Regulations (CFR) Part 1910	Contains the minimum occupational safety and health standards for general industry in the United States.	OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	Title 29 CFR Part 1926	Contains the minimum occupational safety and health standards for the construction industry in the United States.	OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.8 – Socioeconomics	Civil Rights Act of 1964	Prohibits discrimination on the basis of race, color, or national origin.	Federal Agencies issuing permits for project	No permit required.	Applies to all federal agencies and agencies receiving federal funds (Section 8.8.5).

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.8 – Socioeconomics	Executive Order 12898	Avoid disproportionate impacts to minority and low-income members of the community.	Federal Agencies issuing permits for project	No permit required.	Applies only to federal agencies. Does not apply to agencies receiving federal funds (Section 8.8.5).
8.9 – Agriculture and Soils (8.14)	Federal Water Pollution Control Act of 1972: Clean Water Act of 1977 (including 1987 amendments).	Regulates stormwater discharge.	RWQCB	Construction activity stormwater NPDES Permit	Compliance with this authority is discussed in Sections 8.9.2.1 and 8.9.4.2.
8.9 – Agriculture and Soils (8.14)	Natural Resources Conservation Service (1983), National Engineering Handbook, Sections 2 and 3	Standards for soil conservation.	Natural Resources Conservation Commission	No permit required.	Compliance with this authority is discussed in Sections 8.9.2.1 and 8.9.5.
8.10 – Traffic and Transportation	49 CFR, Section 171-177 and 350-300 Chapter II, Subchapter C and Chapter III, Subchapter B	Requires proper handling and storage of hazardous materials during transportation.	US Department of Transportation and Caltrans	Hazardous Materials Transportation License	Project and transportation will comply with all standards for the transportation of hazardous materials. (Section 8.10.4).
8.11 – Visual Resources	No federal LORS related to Visual Resources	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8.12 – Hazardous Materials	CERCLA/SARA Section 302	Requires certain planning activities when EHS are present in excess of TPQ. CVEC will have ammonia and sulfuric acid in excess of the TPQ.	Fresno County Environmental Health System	Approved RMP	An RMP will be prepared to describe planning activities (Section 8.12.8.4).
8.12 – Hazardous Materials	Section 304	Requires notification when there is a release of hazardous material in excess of its RQ.	Fresno County Environmental Health System	Approved HMBP	An HMBP will be prepared to describe notification and reporting procedures (Section 8.12.8.4).
8.12 – Hazardous Materials	Section 311	Requires MSDS for every hazardous material to be kept onsite and submitted to SERC, LEPC, and the local fire department.	Fresno County Environmental Health System	Approved HMBP	The HMBP to be prepared will include MSDSs and procedures for submission to agencies (Section 8.12.8.4).
8.12 – Hazardous Materials	Section 313	Requires annual reporting of releases of hazardous materials.	Fresno County Environmental Health System	Approved HMBP	The HMBP to be prepared will describe reporting procedures (Section 8.12.8.4).
8.12 – Hazardous Materials	Clean Air Act (CAA)	Requires an RMP if listed hazardous materials are stored at or above a TQ.	SJVUAPCD	Approved RMP	An RMP will be prepared (Section 8.12.8.4).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.12 – Hazardous Materials	Clean Water Act (CWA)	Requires preparation of an SPCC plan if oil is stored above certain quantities.	RWQCB	SPCC Plan	An SPCC will be prepared (Section 8.12.8.4).
8.13 – Waste Management	RCRA Subtitle C	Controls storage, treatment, and disposal of hazardous waste.	DTSC	No permit required.	Hazardous waste will be handled by contractors in conformance with Subtitle C. Section 8.13.6.
8.13 – Waste Management	CWA	Controls discharge of wastewater to the surface waters of the U.S.	RWQCB	No permit required.	CVEC will not discharge industrial wastewater. Sanitary wastewater will be discharged to the City of San Joaquin's sanitary sewer. Sections 8.13.4, 8.13.8, and Section 8.14.
8.14 – Water Resources (8.2)	CWA	Regulates stormwater discharge.	RWQCB	Construction Activity NPDES Stormwater Permit and General Industrial NPDES Stormwater Permit	Section 8.14.1
8.14 – Water Resources (8.2)	Clean Water Act Section 401	Required to be obtained for concurrent application for Section 404.	RWQCB	Water Quality Certification	Section 8.14.1
8.14 – Water Resources (8.2)	Clean Water Act Section 404	Regulates fill of waters of the U.S.	USACOE	Section 404 permit	Section 404 permit for work in jurisdictional wetlands. Required prior to any work below the high water mark of a creek (Section 8.14.1).
8.15 – Geologic Hazards and Resources	No federal LORS apply to geologic hazards and resources	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8.16 – Paleontological Resources	Antiquities Act of 1906	Protects paleontological resources on federal lands.	Not Applicable	No permit required.	The project will comply with these requirements (Section 8.16.6).

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
<b>State</b>					
8.1 – Air Quality	State Implementation Plan, Health & Safety Code (H&SC) §§39500 et seq.	The SIP must demonstrate the means by which all areas of the state will attain and maintain NAAQS within the federally mandated deadlines.	SJVUAPCD, with CARB and USEPA Region IX oversight	No permit required.	The project will comply with these requirements
8.1 – Air Quality	California Clean Air Act, H&SC §§40910 - 40930	Requires local districts to attain and maintain both national and state ambient air quality standards.	SJVUAPCD, with CARB oversight	No permit required.	The project will comply with these requirements
8.1 – Air Quality	Toxic Air Contaminant Program, H&SC §§39650 - 39675	Requires toxic air contaminants to be identified and their emissions controlled.	SJVUAPCD, with CARB oversight	No permit required.	The project will comply with these requirements
8.1 – Air Quality Also: 8.6 – Public Health	Air Toxic “Hot Spots” Act, H&SC §§44300-44384; 17 CCR 93300-93347	Supplements the toxic air contaminant program, by requiring the development of a statewide inventory of air toxics emissions from stationary sources.	SJVUAPCD, with CARB oversight	No permit required.	Based on results of risk assessment as per CAPCOA guidelines, toxic contaminants do not exceed acceptable levels (see Section 8.6.3.2).
8.1 – Air Quality	CEC and CARB Memorandum of Understanding, CA Pubic Resource Code §25523(a); 20 CCR 1752, 1752.5, 2300-2309, and Div. 2, Chap. 5, Art. 1, Appendix B, Part (k)	Establishes requirements in the CEC’s decision-making process for an AFC that assures protection of environmental quality.	CEC	No permit required.	The project will comply with these requirements
8.2 – Biology	California Endangered Species Act of 1984, Fish and Game Code §§2050 through §2098	Protects California’s endangered and threatened species.	CDFG	Comments as cooperating agency on Section 7 or Issues 2081 incidental take permit for state-listed species.	No state-listed species will be “taken” as a result of the project (Section 8.2.4.2).
8.2 – Biology	Title 14, California Code of Regulations (CCR) §§670.2 and 670.5.	Lists plants and animals of California declared to be threatened or endangered.	CDFG	No permit required.	The project will comply with these requirements (Section 8.2.2.2).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.2 – Biology	Fish and Game Code Fully Protected Species  §3511: Fully Protected birds  §4700: Fully Protected mammals  §5050: Fully Protected reptiles and amphibians  §5515: Fully Protected fishes	Prohibits the taking of listed plants and animals that are Fully Protected in California.	CDFG	No permit required.	Applicant will avoid take (Section 8.2.3.2).
8.2 – Biology	Fish and Game Code §1930, Significant Natural Areas (SNA)	Designates certain areas such as refuges, natural sloughs, riparian areas, and vernal pools as significant wildlife habitats. Listed in the CNDDB.	CDFG	No permit required.	Applicant will avoid SNA.
8.2 – Biology	Fish and Game Code §1580, Designated Ecological Reserves	The CDFG commission designates land and water areas as significant wildlife habitats to be preserved in natural condition for the general public to observe and study.	CDFG	No permit required.	The project will comply with these requirements
8.2 – Biology	Fish and Game Code §1600, Streambed Alteration Agreement	Reviews projects for on waterways, including impacts to vegetation and wildlife from sediment, diversions, and other disturbances.	CDFG	Conditions of the Streambed Alteration Agreement	Applicant will apply for SAA to alter tributaries Fresno Slough and James Bypass if required to do so by CDFG (Section 8.2.4.2).
8.2 – Biology	Native Plant Protection Act of 1977, Fish and Game Code §§1900 et seq.	Designates state rare and endangered plants and provides specific protection measures for identified populations.	CDFG	Mitigation if there will be significant project effects on threatened or endangered plant species	No rare or endangered plants on project site (Section 8.2.3.2).
8.2 – Biology	Public Resource Code §§25500 & 25527	Siting of facilities in certain areas of critical concern for biological resources, such as ecological preserves, wildlife refuges, estuaries, and unique or irreplaceable wildlife habitats of scientific or educational value, is prohibited, or when none alternative, strict criteria is applied.	USFWS CDFG	Biological Opinion or Authorization with Conditions.	No areas of critical biological concern in area (Section 8.2.4.2).

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.2 – Biology	20 CCR §§1702 (q) and (v)	Protects “areas of critical concern” and “species of special concern” identified by local, state, or federal resource agencies within the project area, including the CNPS.	USFWS CDFG	Biological Opinion or Authorization with Conditions.	No areas of critical concern in area (Section 8.2.4.2).
8.2 – Biology	14 CCR §§15000 et seq.	Describes the types and extent of information required to evaluate the effects of a proposed project on biological resources of a project site.	USFWS CDFG	Review and comment on AFC	AFC will provide this information (Section 8.2.4.2).
8.3 – Cultural Resources	California Environmental Quality Act Guidelines	Project construction may encounter archeological resources.	Head agency	No permit required.	Section 8.3.1
8.3 – Cultural Resources	Health and Safety Code Section 7050.5	Construction may encounter Native American graves.	NAHC	Approved cultural resources mitigation plan	Appendix 8.3B
8.3 – Cultural Resources	Public Resources Code Section 5097.98	Construction may encounter Native American graves. NAHC assigns Most Likely Descendant.	NAHC	No permit required.	Appendix 8.3B
8.3 – Cultural Resources	Public Resources Code Section 5097.5/5097.9		SHPO	No permit required.	Would apply only if some project land were acquired by the state (currently no state land) (see Section 8.3.1).
8.4 – Land Use	No state LORS related to Land Use apply	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8.5 – Noise (8.7)	Onsite: Cal/OSHA 8 CCR Article 105 Sections 095 et seq.	Exposure of workers over 8-hour shift limited to 90 dBA.	Cal/OSHA	No permit required.	Sections 8.5.2.2.1, 8.5.4.2.1 and 8.5.4.3.1. Also see Worker Safety section of AFC.
8.5 – Noise	Offsite: Calif. Vehicle Code Sections 23130 and 23130.5	Regulates vehicle noise limits on California highways.	California Highway Patrol	No permit required.	Delivery trucks and other vehicles will meet Code requirements.
8.6 – Public Health	Health and Safety Code Sections 25531 to 25541	Public exposure to acutely hazardous materials.	Fresno County Office of Emergency Services (OES)  CARB  SJVUAPCD	No permit required.	A vulnerability analysis will be performed to assess potential risks from a spill or rupture of the aqueous ammonia storage tank (See Section 8.6.3.3).

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.6 – Public Health	California Occupational Safety and Health Act, 1970	Establishes minimum safety and health standards for construction and general industry operations in California.		No permit required.	The project will comply with these requirements.
8.7 – Worker Health and Safety	California Occupational Safety and Health Act, 1970	Establishes minimum safety and health standards for construction and general industry operations in California.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §339	Requires list of hazardous chemicals relating to the Hazardous Substance Information and Training Act.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §450	Addresses hazards associated with pressurized vessels.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §750	Addresses hazards associated with high-pressure steam.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §3360 et seq.	Addresses requirements for sanitary conditions.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§3511 et seq., and §§3555 et seq.	Requirements for addressing hazards associated with stationary engines, compressors, and portable, pneumatic, and electrically powered tools.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§3649 et seq., and §3700 et seq.	Requirements for addressing hazards associated with field vehicles.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§3940 et seq.	Requirements for addressing hazards associated with power transmission, compressed air, and gas equipment.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5109 et seq.	Requirements for addressing construction accident and prevention programs.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.7 – Worker Health and Safety	8 CCR §§5110 et. seq.	Requirements for the implementation of an ergonomics program.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5139 et seq.	Requirements for addressing hazards associated with welding, sandblasting, grinding, and spray-coating.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5150 et seq.	Requirements for confined space entry.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5160 et seq.	Requirements for addressing hot, flammable, poisonous, corrosive, and irritant substances.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5192 et seq.	Requirements for conducting emergency response operations.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5194 et seq.	Requirements for employee exposure to dusts, fumes, mists, vapors, and gases.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5405 et seq.; §§5426 et seq.; §§5465 et seq.; §§5500 et seq.; §§5521 et seq.; §§5545 et seq.; §§5554 et seq.; §§5565 et seq.; §§5583 et seq.; and §§5606 et seq.	Requirements for flammable liquids, gases, and vapors.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§5583 et seq.	Requirements for design, construction, and installation of venting, diking, valving, and supports.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	8 CCR §§6150 et seq.; §§6151 et seq.; §§6165 et seq.; §§6170 et seq.; and §§6175 et seq.	Provides fire protection requirements.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	24 CCR 3 et seq.	Incorporates current addition of Uniform Building Code.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.7 – Worker Health and Safety	8 CCR, Part 6	Provides health and safety requirements for working with tanks and boilers.	Cal/OSHA	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	La Follette Bill (Health and Safety Code §§25500 et seq.)	Requires that every new or modified facility that handles, treats, stores, or disposes of more than the threshold quantity of any of the listed acutely hazardous materials prepare and maintain an RMP.	SJVUAPCD	See Section 8.1. No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	Health and Safety Code §§25500 through 25541	Requires the preparation of a Hazardous Material Business Plan that details emergency response plans for a hazardous materials emergency at the facility.	Fresno County	See Section 8.1. No permit required.	The project will comply with these requirements (Section 8.7.2).
8.8 – Socioeconomics	Government Code §§65996-65997	Establishes that the levy of a fee for construction of an industrial facility be considered in mitigating impacts on school facilities.	Golden Plains Unified School District	Assessment fee	Golden Plains Unified School District may charge a one-time assessment fee to mitigate potential school impacts (Section 8.8.6).
8.8 - Socioeconomics	Education Code §17620	Allows a school district to levy a fee against any construction within the boundaries of the district for the purpose of funding construction of school facilities.	Golden Plains Unified School District	Assessment fee	Golden Plains Unified School District may charge a one-time assessment fee to mitigate potential school impacts (Section 8.8.6).
8.9 – Agriculture and Soils	Porter-Cologne Water Quality Control Act of 1972; California Water Code §§13260-13269, 23 CCR Chapter 9	Regulates stormwater discharge.	RWQCB	No permit required.	The project will comply with these requirements (Sections 8.9.2.2 and 8.9.4.2).
8.10 - Traffic and Transportation	CVC §§31300 et seq.	Requires transporters to meet proper storage and handling standards for transporting hazardous materials on public roads.	Caltrans	Hazardous Materials Transportation License	Transporters will comply with standards for transportation of hazardous materials on state highways during construction and operations. The project will conform to CVC §31303 by requiring that shippers of hazardous materials use the shortest route possible to and from the site (Section 8.10.4).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.10 - Traffic and Transportation	CVC §§31600–31620	Regulates the transportation of explosive materials.	Caltrans	Hazardous Materials Transportation License	The project will conform to California Vehicle Code §§31600 – 31620 (Section 8.10.4).
8.10 - Traffic and Transportation	CVC §§32000–32053	Regulates the licensing of carriers of hazardous materials and includes noticing requirements.	Caltrans	Hazardous Materials Transportation License	The project will conform to California Vehicle Code §§32000 – 32053 (Section 8.10.4).
8.10 - Traffic and Transportation	CVC §§32100–32109 and 32105	Establishes special requirements for the transportation of substances presenting inhalation hazards and poisonous gases. Requires that shippers of inhalation or explosive materials contact the CHP and apply for a Hazardous Material Transportation License.	Caltrans	Hazardous Materials Transportation License	The project will conform by requiring shippers of inhalation or explosive materials to contact the CHP and obtain a Hazardous Materials Transportation License (Section 8.10.4).
8.10 - Traffic and Transportation	CVC §§34000–34121	Establishes special requirements for the transportation of flammable and combustible liquids over public roads and highways.	Caltrans	Hazardous Materials Transportation License	The project will comply with CVC §§34000–34121 (Section 8.10.4).
8.10 - Traffic and Transportation	CVC §§34500, 34501, 34501.2, 34501.3, 34501.4, 34501.10, 34505.5-7, 34506, 34507.5, and 34510-11	Regulates the safe operation of vehicles, including those used transport hazardous materials.	Caltrans	Hazardous Materials Transportation License	The project will comply with these requirements (Section 8.10.4).
8.10 - Traffic and Transportation	CVC §§35550-35559	Regulates weight and load limitations.	Caltrans	No permit required	The project will comply with these requirements (Section 8.10.4).
8.10 - Traffic and Transportation	CVC §§25160 et seq.	Addresses the safe transport of hazardous materials.	Caltrans	Hazardous Materials Transportation License	The project will comply with these requirements (Section 8.10.4).
8.10 - Traffic and Transportation	CVC §§2500-2505	Authorizes the issuance of licenses by the Commissioner of the California Highway Patrol for the transportation of hazardous materials including explosives.	Caltrans	Hazardous Materials Transportation License	The project will comply with these requirements (Section 8.10.4).

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.10 – Traffic and Transportation	CVC §§13369, 15275, and 15278	Addresses the licensing of drivers and classifications of licenses required for the operation of particular types of vehicles. In addition, certificates permitting the operation of vehicles transporting hazardous materials are required.	Caltrans	State Licensing and Hazardous Materials Transportation License	The project will comply with these requirements (Section 8.10.4).
8.10 – Traffic and Transportation	S&HC §§117, 660-711	Requires permits from Caltrans for any roadway encroachment during truck transportation and delivery.	Caltrans	Encroachment Permit (as needed)	Encroachment permits will be obtained by transporters, as required (Section 8.10.7).
8.10 – Traffic and Transportation	CVC §35780; S&HC §§660-711; 21 CCR 1411.1-11411.6	Requires permits for any load that exceeds Caltrans weight, length, or width standards for public roadways.	Caltrans	Encroachment Permit (as needed)	Transportation permits will be obtained by transporters for all overloads, as required (Section 8.10.7).
8.10 – Traffic and Transportation	S&HC §§660, 670, 1450, 1460 et seq., 1470, and 1480	Regulates right-of-way encroachment and the granting of permits for encroachments on state and county roads.	Caltrans	Encroachment Permit (as needed)	The project will conform to these sections in the California Vehicle Code (Section 8.10.7).
8.10 – Traffic and Transportation	California State Planning Law, Government Code Section 65302	Project must conform to the General Plan.	Caltrans	Use and Encroachment Permits as discussed in Section 8.4	Project will comply with Fresno County General Plan and City of San Joaquin Comprehensive General Plan and EIR (Section 8.10.2).
8.11 – Visual Resources	No state LORS related to Visual Resources	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8.12 – Hazardous Materials	Health and Safety Code, §§25500 et seq. (Waters Bill)	Requires preparation of an HMBP if hazardous materials are handled or stored in excess of threshold quantities.	Fresno County WPA	Approved HMBP	An HMBP will be prepared (Section 8.12.8.4).
8.12 – Hazardous Materials	CalARP Program. Health and Safety Code, Section 25531 through 25543.4 (La Follette Bill)	Requires registration with local CUPA or lead agency and preparation of an RMP if acutely hazardous materials are handled or stored in excess of TPQs.	Fresno County WPA	Approved registration and RMP	An RMP will be prepared that will describe procedures for registration with Fresno County CUPA (Section 8.12.8.4).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.12 – Hazardous Materials	Safe Drinking Water and Toxics Enforcement Act (Proposition 65)	Requires warning to persons exposed to a list of carcinogenic and reproductive toxins and protection of drinking water from same toxins.	Cal-EPA office of Health Hazard Assessment	Not applicable	The site will be appropriately labeled for chemicals on the Proposition 65 list.
8.12 – Hazardous Materials	Aboveground Petroleum Storage Act	Requires entities that store petroleum in ASTs in excess of certain quantities to prepare an SPCC Plan.	Fresno County WPA	SPCC Plan	An SPCC Plan will be prepared (Section 8.12.8.4).
8.13 – Waste Management	California Integrated Waste Management Act (CIWMA)	Controls solid waste collectors, recyclers, and depositors.	CIWMB	No permit required.	CVEC solid waste will be collected and disposed of by a collection company in conformance with the CIWMA (Sections 8.13.5.1, 8.13.6.1 and 8.13.6).
8.13 – Waste Management	CA Hazardous Waste Control Law (HWCL)	Controls storage, treatment, and disposal of hazardous waste.	DTSC	No permit required.	Hazardous waste will be handled by contractors in conformance with the HWCL (Sections 8.13.6.1 and 8.13.6.2).
8.13 – Waste Management	Porter-Cologne Water Quality Control Act	Controls discharge of wastewater to the surface and ground waters of California.	RWQCB	No permit required.	CVEC will not discharge industrial wastewater. Sanitary wastewater will be discharged to the City of San Joaquin's sanitary sewer (Sections 8.13.4, 8.13.8 and Section 8.14).
8.13 – Waste Management	California Fire Code	Controls storage of hazardous materials and wastes and the use and storage of flammable/combustible liquids.	Fresno County Fire Department	Flammable or Combustible Liquids Storage Permit	Wastes will be accumulated and stored in accordance with Fire Code requirements. Permits for storage containers will be obtained, as needed, from the Fresno County Fire Department (Section 8.13.10).
8.14 – Water Resources	NPDES Permits for Construction Activity and General Stormwater	Regulates stormwater discharge.	RWQCB	Porter-Cologne Water Quality Control Act	NPDES permits for construction and industrial stormwater. Prior to construction and plant operation.
8.14 – Water Resources	Title 22 of the CCR	Requirements for the use of sewage effluent in cooling towers.	Department of Public Utilities	No permit required.	Fresno-Clovis WWTF effluent will meet Title 22 requirements (Section 8.14.1).
8.14 – Water Resources	California Water Code §§13550 et seq. and Resolution 75-58	Encourages reuse of water for beneficial use.	State Water Resources Control Board	Not Applicable	Project will conform through the use of recycled water from Fresno-Clovis WWTF.
8.14 – Water Resources (8.2)	CDFG (Fish and Game Code, Section 1601)	Streambed Alteration Agreement.	CDFG	401 Permit for work affecting surface water	Prior to any work below the high water mark of the creek.

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.15 – Geologic Hazards and Resources	No state LORS related to geological hazards and resources	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8.16 – Paleontological Resources	CEQA	Fossil remains may be encountered by earth-moving.	Head agency	No permit required.	The project will comply with these requirements (Section 8.16.6).
8.16 – Paleontological Resources	Public Resources Code §§5097.5-5097.9	Would apply only if some project land were acquired by the State of California.	Not Applicable	No permit required.	The project will comply with these requirements (Section 8.16.6).
<b>Local</b>					
8.1 – Air Quality	San Joaquin Valley Unified Air Pollution Control District Attainment Demonstration Plans, H&SC §40914	Defines the proposed strategies, including stationary source and transportation control measures and new source review rules, that will be implemented to attain and maintain the state ambient air quality standards.	SJVUAPCD, with CARB oversight	No permit required.	The project will comply with these requirements.
8.1 – Air Quality	San Joaquin Valley Unified Air Pollution Control District Rules and Regulations, H&SC §§4000 et seq., H&SC §§40200 et seq., indicated SJVUAPCD Rules	Establishes procedures and standards for issuing permits; establishes standards and limitations on a source-specific basis.	SJVUAPCD with USEPA and CARB oversight	No permit required.	The project will comply with these requirements.
8.1 – Air Quality	SJVUPCD Rule 2201 (New and Modified Stationary Source Review)	NSR: Requires that pre-construction review be conducted for all proposed new or modified sources of air pollution, including BACT, emissions offsets, and air quality impact analysis.	SJVUAPCD with CARB oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	SJVUAPCD Rule 2520 (Federally Mandated Operating Permits)	Implements operating permits requirements of CAA Title V.	SJVUAPCD with USEPA oversight	Issues Title V permit after review of application.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	SJVUAPCD Rule 2540 (Acid Rain Program)	Implements acid rain regulations of CAA Title IV.	SJVUAPCD with USEPA oversight	Issues Title IV permit after review of application.	8.1.2.4, 8.1.4.3

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.1 – Air Quality	SJVUAPCD Rule 4101 (Visible Emissions)	Limits visible emissions to no darker than Ringelmann No. 2 for periods greater than 3 minutes in any hour.	SJVUAPCD with CARB oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	SJVUAPCD Rule 4102 (Public Nuisance)	Prohibits emissions in quantities that adversely affect public health, other businesses, or property.	SJVUAPCD with CARB oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	SJVUAPCD Rule 4201 (Particulate Matter)	Limits PM emissions from stationary sources.	SJVUAPCD with CARB oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	SJVUAPCD Rule 4801 (Sulfur Compounds Emissions)	Limits SO <sub>2</sub> emissions from stationary sources.	SJVUAPCD with CARB oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	SJVUAPCD Rule 4703 (Stationary Gas Turbines)	Limits NO <sub>x</sub> and CO emissions from gas turbines.	SJVUAPCD with CARB oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.1 – Air Quality	SJVUAPCD Rule 4001 (New Source Performance Standards: 40 CFR 60, Subpart GG, Stationary Gas Turbines; Subpart Da, Boilers)	Requires monitoring of fuel, other operating parameters; limits NO <sub>x</sub> and SO <sub>2</sub> and PM emissions, requires source testing, emissions monitoring, and recordkeeping.	SJVUAPCD with CARB oversight	After project review, issues DOC with conditions limiting emissions.	8.1.2.4, 8.1.4.3
8.3 – Cultural Resources	Fresno County General Plan Update 2000 and City of San Joaquin 1996 Comprehensive Plan/EIR	Sets policies to preserve historically and archaeologically significant structures, sites, districts and artifacts.	Fresno County/ City of San Joaquin	No permit required.	No City of San Joaquin General Plan or Zoning Ordinance requirements address cultural or historic resources (Section 8.3).
8.4 – Land Use (8.11)	City of San Joaquin Comprehensive General Plan and Environmental Impact Report (1996)	Describes policies for land use, circulation, community facilities, and environmental resource management for the plan area.	City of San Joaquin	Use Permit	Section 8.4

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.4 – Land Use (8.11)	City of San Joaquin Zoning Ordinance (2000)	Establishes zoning districts governing land use and the placement of buildings and district improvements.	City of San Joaquin	Use Permit	Section 8.4
8.4 – Land Use (8.11)	Fresno County General Plan (2001)	Describes policies for land use, circulation, community facilities, and environmental resource management for the plan area. It is a statement of the area's vision of its ultimate physical development.	Fresno County	Franchise Agreement/ Encroachment Permits	Section 8.4
8.4 – Land Use (8.11)	Fresno County Zoning Ordinance (2001)	Establishes zoning districts governing land use and the placement of buildings and district improvements.	Fresno County	Franchise Agreement/ Encroachment Permits	Section 8.4
8.5 – Noise	California Government Code Section 65302	Requires local government to prepare plans that contain noise provisions.	Fresno County	Use Permit	Section 8.5
8.5 – Noise	City of San Joaquin Noise Ordinance: City of San Joaquin General Plan	Establishes a 50-dBA standard for residential uses.	City of San Joaquin	Use Permit	Section 8.5
8.6 – Public Health	County General Plan, Economic Development Element	To increase job creation.	Fresno County	No permit required.	Encourages industry to locate in the County to create jobs and reduce unemployment (Sections 8.8.2.3, 8.8.3.3, 8.8.3.4).
8.6 – Public Health	County General Plan, Public Facilities and Service Element	To facilitate the efficient provision of necessary services and minimize impacts of utilities on surrounding land uses.	Fresno County	No permit required.	Encourages the location of cost-effective utilities to serve existing and future needs (Sections 8.8.2.1, 8.8.2.3, 8.8.3.3, 8.8.3.4).
8.7 – Worker Health and Safety	Specific hazardous material handling requirements	Provides response agency with necessary information to address emergencies.	Fresno County	No permit required (See Section 8.12).	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	Emergency Response Plan	Allows response agency to integrate CVEC emergency response activities into any response actions.	Fresno County	See Section 8.12	Section 8.7.2

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.7 – Worker Health and Safety	Business Plan	Provides response agency with overview of CVEC purpose and operations.	Fresno County	See Section 8.12	Section 8.7.2
8.7 – Worker Health and Safety	Risk Management Plan	Provides emergency response agency with detailed review of risks and hazards located CVEC mitigation implemented to control risks or hazards.	SJVUAPCD	See Section 8.1	Section 8.7.2
8.7 – Worker Health and Safety	Uniform Fire Code, Article 80	Addresses the prevention, control and mitigation of dangerous conditions related to storage, dispensing, use, and handling of hazardous materials and information needed by emergency response personnel.	Fresno County	See Section 8.12	Section 8.7.2
8.7 – Worker Health and Safety	National Fire Protection Association (NFPA) 10, Standard for Portable Fire Extinguishers	Requirements for selection, placement, inspection, maintenance, and employee training for portable fire extinguishers.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 11, Standard for Low Expansion Foam and Combined Agent Systems	Requirements for installation and use of low-expansion foam and combined agent systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 11A, Standard for Medium and High Expansion Foam Systems	Requirements for installation and use of medium- and high-expansion foam systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 12, Standard on Carbon Dioxide Extinguishing Systems	Requirements for installation and use of carbon dioxide extinguishing systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 13, Standard for Installation of Sprinkler Systems	Guidelines for selection and installation of fire sprinkler systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 13A, Recommended Practice for the Inspection, Testing and Maintenance of Sprinkler Systems	Guidance for inspection, testing, and maintenance of sprinkler systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.7 – Worker Health and Safety	NFPA 14, Standard for the Installation of Standpipe and Hose Systems	Guidelines for selection and installation of standpipe and hose systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 15, Standard for Water Spray Fixed Systems	Guidelines for selection and installation of water spray fixed systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 17, Standard for Dry Chemical Extinguishing Systems	Guidance for selection and use of dry chemical extinguishing systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 20, Standard for the Installation of Centrifugal Fire Pumps	Guidance for selection and installation of centrifugal fire pumps.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 22, Standard for Water Tanks for Private Fire Protection	Requirements for water tanks for private fire protection.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 24, Standard for the Installation of Private Fire Service Mains and Their Appurtenances	Requirements for private fire service mains and their appurtenances.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 26, Recommended Practice for the Supervision of Valves Controlling Water Supplies	Supervision guidance for valves controlling water supplies.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 30, Flammable and Combustible Liquid Code	Requirements for storage and use of flammable and combustible liquids.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 37, Standard for the Installation and Use of Stationary Combustion Engines and Gas Turbines	Fire protection requirements for installation and use of combustion engines and gas turbines.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 50A, Standard for Gaseous Hydrogen Systems at Consumer Sites	Fire protection requirements for hydrogen systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.7 – Worker Health and Safety	NFPA 54, National Fuel Gas Code	Fire protection requirements for use of fuel gases.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 59A, Standard for the Storage and Handling of Liquefied Petroleum Gases	Requirements for storage and handling of liquefied petroleum gases.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 68, Guide for Explosion Venting	Guidance in design of facilities for explosion venting.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 70, National Electric Code	Guidance on safe selection and design, installation, maintenance, and construction of electrical systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 70B, Recommended Practice for Electrical Equipment Maintenance	Guidance on electrical equipment maintenance.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 70E, Standard for Electrical Safety Requirements for Employee Workplaces	Employee safety requirements for working with electrical equipment.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 71, Standard for the Installation, Maintenance, and Use of Central Station Signaling Systems	Requirements for installation, maintenance, and use of central station signaling systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 72A, Standard for the Installation, Maintenance and Use of Local Protective Signaling Systems for Guard's Tour, Fire Alarm and Supervisory Service	Requirements for installation, maintenance, and use of local protective signaling systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 72E, Standard on Automatic Fire Detection	Requirements for automatic fire detection.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 72F, Standard for the Installation, Maintenance and Use of Emergency Voice/Alarm of Communication Systems	Requirements for installation, maintenance, and use of emergency and alarm communications systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.7 – Worker Health and Safety	NFPA 72H, Guide for Testing Procedures for Local, Auxiliary, Remote Station and Proprietary Protective Signaling Systems	Testing procedures for types of signaling systems anticipated for facility.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 75, Standard for the Protection of Electronic Computer/Data Processing Equipment	Requirements for fire protection systems used to protect computer systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 78, Lightning Protection Code	Lightning protection requirements.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 80, Standard for Fire Doors and Windows	Requirements for fire doors and windows.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 90A, Standard for the Installation of Air Conditioning and Ventilating Systems	Requirements for installation of air conditioning and ventilating systems.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 101, Code for Safety to Life from Fire in Buildings and Structures	Requirements for design of means of exiting the facility.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 291, Recommended Practice for Fire Flow Testing and Marking of Hydrants	Guidelines for testing and marking of fire hydrants.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 850, Recommended Practice for Fire Protection for Fossil Fuel Steam Electric Generating Plants	Requirements for fire protection in fossil-fuel steam electric generating plants.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 1961, Standard for Fire Hose	Specifications for fire hoses.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 1962, Standard for the Care, Maintenance, and Use of Fire Hose Including Connections and Nozzles	Requirements for care, maintenance, and use of fire hose.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	NFPA 1963, Standard for Screw Threads and Gaskets for Fire Hose Connections	Specifications for fire hose connections.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).

**TABLE 1D**  
Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

Applicable Section	LORS	Purpose	Regulating Agency	Permit or Approval	Applicability (AFC Section Explaining Conformance)
8.7 – Worker Health and Safety	American National Standards Institute/American Society for Mechanical Engineers (ANSI/ASME), Boiler and Pressure Vessel Code	Specifications and requirements for pressure vessels.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.7 – Worker Health and Safety	ANSI, B31.2, Fuel Gas Piping	Specifications and requirements for fuel gas piping.	Fresno County	No permit required.	The project will comply with these requirements (Section 8.7.2).
8.8 – Socioeconomics	County General Plan, Economic Development Element	To increase job creation.	Fresno County	No permit required.	Encourages industry to locate in the County to create jobs and reduce unemployment (Sections 8.8.2.3; 8.8.3.3; 8.8.3.4).
8.8 – Socioeconomics	County General Plan, Public Facilities and Service Element	To facilitate the efficient provision of necessary services and minimize impacts of utilities on surrounding land uses.	Fresno County	No permit required.	Encourages the location of cost-effective utilities to serve existing and future needs (Sections 8.8.2.1; 8.8.2.3; 8.8.3.3; 8.8.3.4).
8.9 – Agriculture and Soils	City of San Joaquin Comprehensive General Plan and EIR, 1996	Describes local policies for agricultural and soil resources.	City of San Joaquin	No permit required.	The project will comply with these requirements (Section 8.9.2.3).
8.9 – Agriculture and Soils	Fresno County Public Review Draft General Plan, 2000	Describes local policies for agricultural and soil resources.	Fresno County Board of Supervisors	No permit required.	The project will comply with these requirements (Section 8.9.2.3).
8.10 – Traffic and Transportation (8.4)	Circulation and Transportation Element of the Fresno County General Plan and City of San Joaquin Comprehensive General Plan and EIR	Specifies long-term planning goals and procedures for transportation infrastructure system quality in Fresno County and the City of San Joaquin, respectively.	Fresno County/City of San Joaquin	Use and Encroachment Permits as discussed in Section 8.4	Project will comply with goals and policies for County and City transportation and traffic system (Section 8.10.2).
8.11 – Visual Resources	No local LORS related to Visual Resources	Not Applicable	Not Applicable	Not Applicable	Not Applicable
8.12 – Hazardous Materials	California Fire Code (1998 version adapted in its entirety by Fresno County Board of Supervisors)	Requires proper storage and handling of hazardous materials.	Fresno County Environmental Health System	Not Applicable	Sections 8.12.8.1 and 8.12.8.2
8.13 – Waste Management	Fresno County General Plan, Public Facilities Element, PF-F.1	County promotes maximum use of solid waste source reduction, reuse, recycling, composting, and environmentally safe transformation of wastes.	Fresno County	No permit required.	CVEC will follow hierarchical approach to solid waste management (Section 8.13.6).

**TABLE 1D**

Laws, Ordinances, Regulations, and Standards Applicable to CVEC for Environmental Information

<b>Applicable Section</b>	<b>LORS</b>	<b>Purpose</b>	<b>Regulating Agency</b>	<b>Permit or Approval</b>	<b>Applicability (AFC Section Explaining Conformance)</b>
8.13 – Waste Management	Fresno County General Plan, Public Facilities Element, PF-F.4	County shall ensure that all new development complies with applicable provisions of County Integrated Solid Waste Management Plan.	Fresno County	No permit required.	CVEC will comply with the County's solid waste management plan (Section 8.13.3).
8.14 – Water Resources	City of San Joaquin	Includes conformance with stormwater control requirements.	City of San Joaquin	Approval of Grading Plan.	Requires erosion and sediment control plan, drainage control features, and City approval.
8.14 – Water Resources	Fresno County Grading Ordinance	Permits grading, erosion, and sediment control.	Fresno County Planning Dept	Approval of Grading Plan.	Required prior to site grading. Application also comprises CEQA, Geotechnical Report, and Erosion and Sediment Control Plan.
8.14 – Water Resources	Fresno-Clovis WWTF Agreement	User Agreement for recycled water.	Department of Public Utilities	User Agreement.	Applicant has received a "will serve" letter from Fresno-Clovis WWTF, see Appendix 7A.
8.15 – Geologic Hazards and Resources	Uniform Building Code (UBC), 1997. Appendix Chapter 16, Division 4	Determine the design criteria for structures with respect to seismic design and load bearing capacity.	City of San Joaquin	Approved construction plan for the city.	Acceptable design criteria for structures with respect to seismic design and load bearing capacity.
8.15 – Geologic Hazards and Resources	California Building Code (CBC), 1998	Determine the design criteria for structures with respect to seismic design and load bearing capacity.	Fresno County Planning Division	Approved construction plan for the city.	Acceptable design criteria for structures with respect to seismic design and load bearing capacity.
8.15 – Geologic Hazards and Resources	City of San Joaquin General Plan	Determine the safety elements to follow for construction.	City of San Joaquin	Approved construction plan for the city.	Compliance with Chapter 8 of the safety element of the General Plan.
8.16 – Paleontological Resources	No local LORS apply to paleontological resources.	Not Applicable	Not Applicable	Not Applicable	Not Applicable

APPENDIX 1E

## **Permits and Approvals Required for CVEC**

---

**TABLE 1E**  
Permits and Approvals Required for CVEC

<b>Applicable Section (Cross Reference)</b>	<b>Permit or Approval</b>	<b>Schedule</b>	<b>Applicability</b>	<b>Agency Contact</b>
1.0 – 5.0	No permits required.	No permits required.	No permits required.	No permits required.
6.0 – Gas Supply (8.4)	City of San Joaquin Encroachment Permit	6 weeks prior to construction.	Installation of natural gas and waterline facilities for project (Municipal Code, 12.04.080).	City of San Joaquin Shahid Hami City Manager 21900 Colorado P.O. Box 758 San Joaquin, CA 93660 559-693-4311
6.0 – Gas Supply	Easement	3 months prior to construction.	Installation of linear facilities on private property.	Individual landowners along route
6.0 – Gas Supply (8.4)	Fresno County Encroachment Permit/Plan Review	6 weeks prior to construction.	Installation of natural gas and waterline facilities for project (General Ordinance Code, Chapter 13.08).	Fresno County Brett Connor Permit Engineer 2220 Tulare, 7th Floor Fresno, CA 93721 559-262-4078
6.0 – Gas Supply	Fresno County Franchise Agreement	6 weeks prior to construction.	Installation of linear facilities within County right-of-way.	Fresno County Public Works Department Brett Connor Permit Engineer 2220 Tulare, 7th Floor Fresno, CA 93721 559-262-4078
6.0 – Gas Supply	Temporary Dewatering Permit	Prior to disposal.	Disposal of intruded groundwater or stormwater in pipeline trenches during construction.	Regional Water Quality Control Board Brian Earlenson Water Resource Control Engineer 3614 East Ashlan Avenue Fresno, CA 95726 559-445-6071

**TABLE 1E**  
Permits and Approvals Required for CVEC

<b>Applicable Section (Cross Reference)</b>	<b>Permit or Approval</b>	<b>Schedule</b>	<b>Applicability</b>	<b>Agency Contact</b>
7.0 – Water Supply	Application for Report of Waste Discharge	Anticipated to be submitted October 2001. Permit to be obtained 150 days after submission.	Use of reclaimed water supply.	Regional Water Quality Control Board Jo Anne Kipps Senior Water Resource Control Engineer 3614 East Ashlan Avenue Fresno, CA 93721 559-445-5035  AND  Department of Health Services Cindy Forbes Chief, S. CA Branch, Drinking Water Division 1040 East Herndon, Suite 205 Fresno, CA 93720 559-447-3130
7.0 – Water Supply (8.4, 6.0)	City of San Joaquin Encroachment Permit	6 weeks prior to construction.	Installation of natural gas and waterline facilities for project (Municipal Code, 12.04.080).	City of San Joaquin Shahid Hami City Manager 21900 Colorado P.O. Box 758 San Joaquin, California 93660 559-693-4311
7.0 – Water Supply	Encroachment Permit	To be submitted when construction contract documents are finalized. Permit to be issued 60 days after submission.	Work performed on or within Caltrans right-of-way for installation of reclaimed water line.	Caltrans Jim Perrault 826 L Street Fresno, CA 93721 559-488-4058
7.0 – Water Supply	Encroachment Permit	To be submitted when construction contract documents are finalized. Permit to be issued 45 days after submission.	Work on or within UPRR right-of-way for installation of reclaimed water line.	Union Pacific Railroad Mary Hauschild 1800 Farnam Omaha, NE 68108 402-997-3553

**TABLE 1E**  
Permits and Approvals Required for CVEC

<b>Applicable Section (Cross Reference)</b>	<b>Permit or Approval</b>	<b>Schedule</b>	<b>Applicability</b>	<b>Agency Contact</b>
7.0 – Water Supply (8.4, 6.0)	Fresno County Encroachment Permit/Plan Review	6 weeks prior to construction.	Installation of natural gas and waterline facilities for project (General Ordinance Code, Chapter 13.08).	Fresno County Public Works Dept. Brett Connor Permit Engineer 2220 Tulare, 7th Floor Fresno, CA 93721 559-262-4078
7.0 – Water Supply	Well Drilling Permit	To be submitted prior to construction of reclamation or test wells.	To register test wells for construction and/or reclamation.	Fresno County Department of Environmental Health Permit Officer on Duty P.O. Box 11867 Fresno, CA 93775 559-445-3537
8.1 – Air Quality	Title V Operating Permit	Prior to construction.	Establishes comprehensive permit program for major stationary sources.	San Joaquin Valley Unified APCD Sayed Sadredin Director of Permit Services 1990 E. Gettysburg Avenue Fresno, Ca 953726-0244 559-230-6000
8.2 – Biology	Biological Opinion pursuant to Section 7 of the ESA	Application to be submitted in November 2001.	Applicant has sited facility to avoid habitat for endangered species.	USFWS Dan Buford 916-414-6600  AND  CDFG Dr. Andrew Gordus Environmental Specialist IV 1234 East Shaw Avenue Fresno, CA 93710 559-243-4014
8.2 – Biology (8.14)	Clean Water Act Section 404 Permit	Application to be submitted in April 2002.	Required for gas pipeline crossing of irrigation canals.	Army Corps of Engineers Matt Herkala 1325 J Street Sacramento, CA 95814 916-557-7724

**TABLE 1E**  
Permits and Approvals Required for CVEC

<b>Applicable Section (Cross Reference)</b>	<b>Permit or Approval</b>	<b>Schedule</b>	<b>Applicability</b>	<b>Agency Contact</b>
8.2 – Biology	Clean Water Act, Section 401, Water Quality Certification	Application to be submitted in April 2002.		Central Valley Regional Water Quality Control Board Brian Earlenson Water Quality Engineer 559-445-5071
8.2 – Biology (8.14)	Streambed Alteration Agreement	Application to be submitted in April 2002.	Required by CDFG for pipeline construction across irrigation canals.	CDFG Dr. Andrew Gordus Environmental Specialist IV 1234 East Shaw Avenue Fresno, CA 93710 559-243-4014
8.3 – Cultural Resources	No permits required	No permits required.	No permits required.	No permits required
8.4 – Land Use (6.0, 7.0)	City of San Joaquin Encroachment Permit	6 weeks prior to construction.	Installation of natural gas and waterline facilities for project (Municipal Code, 12.04.080).	City of San Joaquin Shahid Hami City Manager 21900 Colorado P.O. Box 758 San Joaquin, California 93660 559-693-4311
8.4 – Land Use	City of San Joaquin Site Plan Review and Use Permit	90 days prior to construction.	All proposed development for project within M zoning district, including installation of buildings, modification to site surface, and height variance (Zoning Ordinance, Sections 17.16 and 17.80).	City of San Joaquin Shahid Hami City Manager 21900 Colorado P.O. Box 758 San Joaquin, California 93660 559-693-4311
8.4 – Land Use (6.0, 7.0)	Fresno County Encroachment Permit/Plan Review	6 weeks prior to construction.	Installation of natural gas and waterline facilities for project (General Ordinance Code, Chapter 13.08).	Fresno County Public Works Dept. Brett Connor Permit Engineer 2220 Tulare, 7th Floor Fresno, CA 93721 559-262-4078
8.5 – Noise	No permits required.	No permits required.	No permits required.	No permits required
8.6 – Public Health	No permits required.	No permits required.	No permits required.	No permits required

**TABLE 1E**  
Permits and Approvals Required for CVEC

<b>Applicable Section (Cross Reference)</b>	<b>Permit or Approval</b>	<b>Schedule</b>	<b>Applicability</b>	<b>Agency Contact</b>
8.7 – Worker Health and Safety	Permit to erect a fixed tower crane	Submit prior to commencing construction; notification must be made at least 24 hours prior to the initiation of the following activities: completion of erecting crane and commencement of operation, climbing or dismantling of the tower crane.	Required to erect, climb, or dismantle fixed tower cranes.	Cal-OSHA Fresno District Office 2550 Mariposa Mall #3080 Fresno, CA 93721 559-445-5431
8.7 – Worker Health and Safety	Trenching and Excavation Permit	Submit prior to commencing construction.	Required for trenches and excavations of more than 5 feet that personnel are required to enter; and construction or demolition of buildings, structures, scaffolding, or falsework more than 3 stories high.	Cal-OSHA Fresno District Office 2550 Mariposa Mall #3080 Fresno, CA 93721 559-445-5431
8.8 – Socioeconomics	No permits required.	No permits required.	No permits required.	No permits required.
8.9 - Agriculture and Soils	Approval of Site Plan	Prior to construction.	Grading of site surface.	City of San Joaquin Shahid Hami City Manager 21900 Colorado Avenue P.O. Box 758 San Joaquin, CA 93660 559-693-4311
8.9 - Agriculture and Soils (8.2, 8.14)	Construction Activity NPDES Stormwater Permit	Prior to construction.	Regulation of stormwater discharge from site and linear facilities during construction.	RWQCB Brian Earlenson Water Quality Engineer 3614 East Ashlan Street Fresno, CA 93726 559-445-6071
8.9 - Agriculture and Soils	Fresno County Grading Permit	Prior to construction.	Grading of County right-of-way for installation of linear facilities.	Fresno County Planning and Resource Management Phil Desatoff Planner 2220 Tulare Street, 8th floor Fresno, CA 93721 559-262-4309

**TABLE 1E**  
Permits and Approvals Required for CVEC

<b>Applicable Section (Cross Reference)</b>	<b>Permit or Approval</b>	<b>Schedule</b>	<b>Applicability</b>	<b>Agency Contact</b>
8.10 – Traffic and Transportation	Hazardous Materials Transportation License	Obtain when necessary, approximately 2 week processing time.	Transporting hazardous materials to site.	California Highway Patrol Joel Arbuckle Officer on Duty 916-445-1865
8.10 – Traffic and Transportation	Permit to transport oversized or excessive loads over state highways	Obtain when necessary, 2 hour processing time (single trip) to 2 weeks (annual trip).	Transporting oversized or excessive loads over state highways.	Caltrans Dee Garcia Permit Officer on Duty 916-322-1297
8.10 – Traffic and Transportation	Shipping of inhalation hazard or explosive materials	Obtain when necessary, approximately 2 week processing time.	Transporting inhalation hazards or explosive materials to site.	California Highway Patrol Joel Arbuckle Officer on Duty 916-445-1865
8.10 – Traffic and Transportation	Transportation permit for oversized vehicles	Obtain when necessary, same day processing.	Transporting oversized vehicles to site.	Caltrans Dee Garcia Permit Officer on Duty 916-322-1297
8.11 – Visual Resources	No permits required.	No permits required.	No permits required.	No permits required.
8.12 – Hazardous Materials	Hazardous Materials Storage Permit	Prior to storage of hazardous materials at the site.	Businesses must obtain permits for hazardous materials storage.	Fresno County Environmental Health Department Harry Yee Hazardous Materials Specialist 1221 Fulton Mall, 3rd Floor P.O. Box 11867 Fresno, CA 93775 559-445-3271
8.13 – Waste Management	Flammable or Combustible Liquids Storage Permit	Prior to storage of flammable or combustible liquid wastes at the site.		Fresno County Fire Department Cary Williams Captain 559-698-5500
8.14 – Water Resources (8.9)	City of San Joaquin Grading Plan Approval	90 days prior to site grading.		City of San Joaquin Shahid Hami City Manager 21900 Colorado Avenue P.O. Box 758 San Joaquin, CA 93660 559-693-4311
